WHEREAS, The City of San Francisco, for a variety of reasons, some of which are delineated herewith, is ideally suited for the site of a 1976 presidential nominating convention; and,

WHEREAS, In 1976, the City of San Francisco will be celebrating the bicentennial anniversary of the United States as well as the bicentennial anniversary of its own founding; and,

WHEREAS, The holding of a presidential nominating convention in a city celebrating a twin bicentennial anniversary would mark a particularly significant place in history for that convention; and,

WHEREAS, San Francisco is world reknowned for its hospitality to visitors, its excellent restaurants and hotels, and the interest and participation of its citizens in national political events; and,

WHEREAS, The City's mild temperatures would provide a fitting backdrop for the tempestous, emotionally heated atmosphere which traditionally prevails at presidential political conventions; and,

WHEREAS, At the same time, the City's dramatically steep hills would provide a complementary background to the sudden ascents and descents which frequently accompany persons in the political arena; and,

WHEREAS, Federal legislation now provides that both major political parties will have available $2,000,000 apiece to cover their convention expenses, and therefore hosting a convention would not place a burden on the taxpayers of San Francisco; and

WHEREAS, The San Francisco Unified School District ("School District") currently exercises jurisdiction over certain properties which are not being used for educational purposes and which are estimated to have a total value of $4,404,000; and

WHEREAS, The properties consist of: (1) a site on Beacon Street in Diamond Heights, acquired from the Redevelopment Agency; (2) a vacant parcel adjacent to Diamond Heights Elementary School; (3) a vacant parcel in the Sunset Community Center; (4) a vacant parcel at 14th Avenue and Quintara Street, adjacent to Herbert Hoover Junior High School; (5) the former site of Grant Elementary School, Block 963, on Pacific Avenue; and

WHEREAS, Such properties are unimproved and unused and are not being operated in any way to benefit the citizens of San Francisco; and,

WHEREAS, The Grant School building was demolished in 1974 and the property has been unimproved and unused ever since; and

WHEREAS, The properties on Beacon Street, Diamond Heights, Sunset Community Center, and 14th Avenue and Quintara Street have been vacant and unused for a period of years by the School District; and,

MEMORIALIZING THE MUNICIPAL COURT TO RETAIN THE $3.00 FINE FOR PARKING METER VIOLATIONS IN AREAS OTHER THAN THE METROPOLITAN TRAFFIC DISTRICT.

WHEREAS, The San Francisco Municipal Court contemplates increasing the fine for parking meter violations from $3.00 to $5.00; and

WHEREAS, The Council of District Merchants oppose said increase being applied in the neighborhood shopping areas of San Francisco; and

WHEREAS, District shopping areas have little provisions for long-term parking, in contract to the Metropolitan Traffic District, and

WHEREAS, District merchants would prefer to see multiple ticketing of meter violators at the $3.00 rate than single ticketing at the $5.00 rate, by way of encouraging traffic circulation, and

WHEREAS, District merchants are fearful the $5.00 fine will increase the tendency of shoppers to use suburban shopping centers where free parking is available; and

WHEREAS, The Council of District Merchants finds that the North Beach-Chinatown and Polk Street Districts to be neighborhood districts in all significant aspects; now, therefore, be it

RESOLVED, That this Board of Supervisors urges the San Francisco Municipal Court to impose a $5.00 fine for meter violations only in the Metropolitan Traffic District of San Francisco, such area to be defined as excluding the North Beach-Chinatown and Polk Street Districts; and be it

FILE NO. 72-75 RESOLUTION NO. 536-75

URGING SUPERINTENDENT OF SCHOOLS AND THE SAN FRANCISCO PUBLIC SCHOOLS STUDY COMMISSION TO INVESTIGATE FISCAL DEPARTMENT OF THE SAN FRANCISCO UNIFIED SCHOOL DISTRICT.

WHEREAS, The San Francisco Unified School District had a budget in 1974-75 of approximately $140 million, financed through ad valorem taxes of the City and County; and,

WHEREAS, The School District budget represents 16.4 percent of the total budget of the City and County; and,

WHEREAS, The San Francisco Unified School District spends more money per pupil than any other school district in the state of California, with no evidence that its pupils receive any better education than their counterparts in other areas of the state; and,

WHEREAS, In a number of instances, both recently and in the past, information provided to the Board of Education and to the Board of Supervisors by the fiscal officers of the District has been factually inadequate or inaccurate; and,

WHEREAS, The subsequent actions of the Board of Education or the Board of Supervisors, which were based on false information from the fiscal department, have caused confusion in the community and created widespread distrust of School District financial operations; and,

WHEREAS, A most recent example of such fiscal misinformation occurred when School District officers assured this Board of Supervisors that sufficient state and federal funds were available to pay cash payments in lieu of fringe benefits for fiscal year 1974-75 to paraprofessional employees of the School District; and,

WHEREAS, After this Board passed an enabling ordinance to provide for such in lieu payments to paraprofessional employees, the School District discovered that state and federal funds were not available and that the payments would have to be provided from funds out of the School District budget, now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors does hereby urge the Superintendent of Schools and the San Francisco Public Schools Study Commission to investigate the management procedures and operations of the fiscal department of the San Francisco Unified School District and to recommend a method by which accountability and reliability of figures produced by the fiscal department could be improved; and,

FURTHER RESOLVED, That copies of this resolution be transmitted to his Honor, the Mayor, and forwarded by him to the Superintendent of Schools and to members of the San Francisco Public Schools Study Commission with the request that they take all necessary steps to effectuate its intent.

URGING SAN FRANCISCO BARTD DIRECTORS TO OPPOSE PROPOSED EXTENSION OF BART TO OAKLAND AIRPORT.

WHEREAS, The Board of Directors of the Bay Area Rapid Transit District (BARTD) has on its agenda for its meeting of Thursday, July 24, 1975 a proposal to extend the BARTD system to the Oakland Airport; and,

WHEREAS, Both the staff of BARTD and the staff of the Metropolitan Transportation Commission have expressed opposition to the BARTD extension to the Oakland Airport; and,

WHEREAS, The new General Manager of BARTD has not had an opportunity to review or make any recommendations on this proposed extension; and,

WHEREAS, State Senator John Nejedly has asked the State Legislative Analyst, A. Alan Post, to review the source of funds, the cost of the proposed extension and whether or not the funds could be used for other alternative extensions; and,

WHEREAS, The Lawrence-Berkeley Laboratory, University of California and the State Public Utilities Commission have been asked to establish whether or not the BARTD central computer is adequate to provide management for this proposed extension and also whether the computer capacity will be able to handle other extensions; and,

WHEREAS, In order to accomodate the Oakland extension, BARTD would have to reduce service on the Richmond Line by 50 percent, from 10 to five trains; and,

WHEREAS, The proposed Oakland Airport extension would discourage use of the San Francisco International Airport extension by residents of the East Bay; and,

WHEREAS, Extension of BARTD to the San Francisco International Airport has always had a higher priority than the Oakland Airport extension; and,

WHEREAS, The State Legislature has appropriated $350,000 for a study of extending BARTD from San Francisco to Santa Clara County, which would include an extension to the San Francisco Airport; now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors does hereby urge and recommend to the San Francisco representatives on the Bay Area Rapid Transit District Board of Directors that they vote against the proposed extension of BARTD to the Oakland Airport; and, be it

RESOLVED, that the Chief Administrative Officer and the Director of Public Works be authorized and are hereby required to execute said agreement, and any supplementary agreements, for and in behalf of the City and County of San Francisco with the State of California, Department of Transportation.

URGING THE ASSESSMENT APPEALS BOARD TO INVESTIGATE ASSESSMENTS OF DOWNTOWN COMMERCIAL PROPERTIES WHICH HAVE DECLINED OR REMAINED CONSTANT IN ASSESSED VALUATION BETWEEN 1970 AND 1975 AND TO INCREASE THE VALUATIONS WHERE COMPETENT EVIDENCE INDICATES.

WHEREAS, On July 23, 1975, the City Attorney advised the Chairman of the Assessment Appeals Board that, in his opinion, said Board has inherent jurisdiction, on its own motion and upon the basis of competent evidence as to value, to increase one or more assessments on the local assessment roll in order to equalize the values of property on said roll; and

WHEREAS, It is the understanding of this Board of Supervisors that residential properties, which account for approximately fifty-nine per cent (59%) of the 1975-1976 local assessment roll, have been reassessed drastically upward and in some instances this increase has been one hundred per cent (100%) or more over the 1974-1975 assessment; and

WHEREAS, It is the understanding of this Board of Supervisors that the assessments on at least one hundred (100) major commercial properties in the downtown area have either been reduced, remained constant, or increased slightly over the period of the last five years; and

WHEREAS, On numerous occasions since 1967, but to no avail, this Board of Supervisors has urged the enactment of State legislation which would permit the use of a lower assessment ratio with respect to residential property as opposed to commercial property in order to spread the burden of taxation equitably throughout all segments of the community; now, therefore, be it

RESOLVED, That, in view of the sharp increase in assessments on residential properties on the current assessment roll, this Board of Supervisors does hereby petition and strongly urge the Assessment Appeals Board to investigate those commercial properties in the downtown area which have declined or remained constant in assessed value between 1970 and 1975; and be it

FURTHER RESOLVED, That the Assessment Appeals Board after appropriate notice hold a full equalization hearing on any of such properties if it finds that reasonable cause exists therefor and order an increase in any such assessment where said increase is supported by competent evidence; and, be it

FURTHER RESOLVED, That, in the event any such full equalization hearing is held, the Assessor is hereby requested to request written findings of fact pursuant to the provisions of Section 308 of Title 18, California Administrative Code.

URGING THE STATE LECISLATURE TO REPEAL PROVISIONS OF SECTION 17041.5 OF THE REVENUE AND TAXATION CODE PURPORTING TO PROHIBIT THE LEVY OF A LOCAL INCOME TAX BY CHARTERED CITIES.

WHEREAS, The City Attorney, under dates of March 3, 1967 and December 10, 1974, advised this Board of Supervisors that the Legislature of the State of California is without constitutional authority to prohibit the levying of a local tax on incomes earned or derived by persons in the City and County of San Francisco, a chartered city; and

WHEREAS, The provisions of Section 17041.5 of the Revenue and Taxation Code purport to prohibit the levy of a tax on such incomes in chartered, as well as nonchartered, cities; and

WHEREAS, The legislative body of the City and County of San Francisco is faced with the vital necessity of providing additional sources of revenue for its governmental operations and easing the burden upon property tax payers and is studying additional forms of taxation including the levy of a tax on incomes earned or derived in San Francisco; and

WHEREAS, The mere existence of the over-breadth of the language in Section 17041.5 presents a difficulty in such considerations as it would create a cloud upon the levy if it were determined to impose an income tax in San Francisco and would create uncertainty in the minds of the taxpayers thus possibly causing difficulty in the collection of the tax; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby urge the State Legislature to repeal that portion of Section 17041.5 of the Revenue and Taxation Code which purports to prohibit the levying of a local income tax by chartered cities; and be it

WHEREAS, The assessed valuation of residential property in San Francisco has been drastically increased for the fiscal year 1975-76 over the assessed valuation for the preceding fiscal year; and

WHEREAS, Increases in the actual market value of residential property have been accruing over a period of several years and not just during the last fiscal year; and

WHEREAS, There will be an obvious difficulty and in many cases dire hardship for residential property owners, many of whom are living on fixed and limited incomes, to cope with such drastically increased property tax assessments and resulting tax costs; and

WHEREAS, It would be more equitable for increases in assessed valuation of residential property to occur over a period of time considerably in excess of one year; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby urge that the Assessor and the Assessment Appeals Board for the City and County of San Francisco take immediate action to effect increases in assessed valuation for residential property over a three-year fiscal period, rather than over a one-year fiscal period in order to alleviate the serious tax problems faced by residential property owners in San Francisco, and hereafter reassess properties on a current annual basis.
